A Community School of Excellence: Care Create Connect Contribute

TPPS/51/2025

30th June 2025

Dear Parents/Guardians,

Welcome back to school! Term 3 promises to be an engaging term for all students. As we continue to enhance our school programmes to provide the unique Tampinesian brand of education, we continue to “Know Every Child, Grow Every Child and Celebrate Every Child”. We do this with the following reviewed Strategic Thrusts to realise our school’s Vision and Mission:

ST1: Nurturing every student through quality teaching & learning,

ST2: Building a strong core through values-based education, and

ST3: Developing Engaged Future-Oriented Staff

We will also continue to engage stakeholders at our annual In-Conversation with Stakeholder (ICS) event at the end of the year. Details of this event will be issued to invited stakeholders.

Temperature Taking Exercise (TTEx) 8th July & 9th July 2025

This exercise will help us to keep the school safe and opened for learning. There will be a pre-trial on Tuesday, 8th July 2025 before the actual exercise on Wednesday, 9th July 2025. Do help your children prepare for the exercise by reminding them to bring their Oral Digital Thermometers (ODTs) to school on both days. During the first Temperature Taking Exercise in January this year, we issued the ODTs to our P1 students and P1 teachers have kept them for safekeeping. Parents of P2 to P6 students should check that your child’s ODT is in working condition and if it is lost or damaged. ODTs can be purchased from the school’s bookshop. Do contact your child’s form teachers should you have any queries.

2025 P1 Registration Exercise - Phase 1 Registration

Phase 1 registration is for a Singapore Citizen (SC) or Permanent Resident (PR) child born between 2 January 2019 and 1 January 2020 (both dates inclusive) and has a sibling currently studying in our school.

For the 2025 P1 Registration Exercise, parents who are registering your younger child under Phase 1 are to **register during the Phase 1 registration period from 1st July 2025, 9 am to 3rd July 2025, 4.30 pm** through the P1 Registration Portal.

You may refer to MOE P1 website for information on the 2025 P1 Ex:

P5 NE Show – Saturday, 19th July 2025

Our P5 students will be able to look forward the National Education (NE) Show on Saturday, 19th July 2025 at the Padang. The NE Show is a special preview of our National Day Parade and is organised with the objectives of evoking a sense of patriotism amongst students and developing a commitment towards the nation and the community.

“Majulah Singapura” is the theme for this year’s celebrations. As we mark 60 years of independence, this year’s theme invites us to reflect on the road we’ve walked as one people, and to look ahead with hope, courage, and unity. It reminds us that our strength lies not only in how far we’ve come, but in the trust, inclusivity, and shared values that continue to guide us forward.

The NDP 2025 logo captures the essence of who we are. Diverse, resilient, and always moving forward together. It fuses “60” and “GO” into a single graphic mark, reflecting both our milestone and momentum. At its core, five shooting stars form an upward arrow, representing Singapore’s ideals of democracy, peace, progress, justice, and equality.

Details have been issued to parents of P5 students via Parents Gateway (PG) on 28th May 2025.

Important Reminders

To ensure a safe and happy school for all our students and staff, we gently remind parents that students should not come to school if they are sick or unwell with flu-like symptoms. As part of our social responsibility, you are strongly encouraged to only let your child return to school after the medical leave is completed, and when your child is well. Staff will be carrying out their daily visual wellbeing checks on all students. We will continue to encourage all students to practise personal hygiene by washing their hands frequently, wearing masks if necessary, doing the daily wipe-downs and informing the teachers if they feel unwell.

Conclusion

We recognise the challenges of parenting in the digital age and are committed to supporting parents to build healthy habits in children that will continue through to adulthood.

We would like to point you to the toolbox of practical tips for you to support your child's well-being and navigate parenting in this digital age. You may access the resources at this website:

Please also find attached 2025 Semester 2 School Calendar for your noting and planning. Our teachers will be sending details of other cohort and specific programmes via PG for your information and follow-up.

We look forward to your continued warm and active partnership to help know, grow and celebrate each Tampinesian.

Warmest regards

Mrs Lay See Neufeld

Principal
